

CENSUS BINGO!

The following Census Bingo cards were developed by the Yurok Complete Count Committee and adapted for Native People Count California materials. Thank you to the Yurok Tribe!

INSTRUCTIONS Answer the questions and follow the instructions to find someone to sign your circles to complete a black out bingo. Bring to the Native People Count California table to verify for a raffle ticket.

Find someone who has talked to a Census worker who came to their house

Name 1 Program funded based on the Census count:

When is Census Day!?

What year was the first Census?

How often is the Census conducted?

How many years will Census data be used to allocate funding?

Do you have to be a tribal member to identify as American Indian?

Ask someone how they will be completing the Census (Circle One)

Does the Census determine how many seats CA gets in Congress?

Find someone who has completed the Census Questionnaire in the past

Are you able to fill out the Census online?

Who needs to be included on your Census questionnaire?

What mandates the Census?

Does your community lose money if you are not counted?

Find someone who has never participated in the Census

How many times will a Census taker come back to your house?
